

2024-25 FINANCIAL ASSISTANCE REQUEST

This form is to allow for an C.D. Hylton Marching Band student to request financial assistance with the fees and expenses that result from their participation in the program. If the student receives financial assistance from the Hylton HS Band Boosters, 100% of the student portion of funds received during fundraising will go towards the students' debt, until the debt is paid off or forgiven by the band boosters. Families requesting loans from the Boosters must be actively participating in all fundraisers. If the Fundraiser Coordinator confirms that the student has not participated in a fundraising event, the request for financial assistance will be denied for the remainder of the year.

Financial assistance is available in the form of loans. A loan requires this application to be submitted to Hylton HS Band Director specifying the need for financial assistance and how the loan is to be repaid to the Boosters. The deadline for the application is NO later than the second week of September. Nonpayment of a loan without the students' debt being cleared by the Band Boosters will automatically make the student ineligible for further financial assistance from the Boosters. Outstanding balances for seniors will be turned over to the school.
